# Amydio<sup>®</sup> Forte

## PET LIQUID

A Potent Natural Formula For Gastrointestinal Disturbances

A Safe And Well-Tolerated Formula  
With Plant Extracts, Herbal Distillates  
And Phytonutrients For Pets Of  
All Age Groups

### Inhibits Enteropathogenic Bacteria

Kills and reduces the bacterial adhesion of  
*E. coli*, *Staphylococcus*, etc.

Kutaja (*Holarrhena antidysenterica*),  
Marorphali (*Helicteres isora*),  
Bael (*Aegle marmelos*)

### Antisecretory And Increases Reabsorption Of Water

Improves reabsorption and resistance of intestinal  
mucosa through protein tannate coating

Jeera (*Cuminum cyminum*),  
Kali mirch (*Piper nigrum*),  
Kalmegh (*Andrographis paniculata*)

### Supplements Essential Nutrients

A rich reservoir of micronutrients that  
energizes dehydrated cells

Bael sharbat [swaras]  
(*Aegle marmelos*)

### Decreases Intestinal Inflammation

Inhibits intestinal inflammation with  
astringent-demulcent action

Pudina ark (*Mentha piperata*),  
Elachi (*Elettaria cardamomum*),  
Saunf (*Foeniculum vulgare*)

### Reduces Gastrointestinal Motility And Intestinal Contractions

Retards mucosal secretions by  
deactivating calcium channels

Pudina ark (*Mentha piperata*),  
Sunthi (*Zingiber officinale*),  
Safed jeera (*Cuminum cyminum*)

### Improves Water And Electrolyte Balance

Increases the bulk of faecal matter by  
improving water and NaCl reabsorption

Dadim (*Punica granatum*),  
Amra Majja (*Mangifera indica*),  
Atees (*Aconitum heterophyllum*)
